

## COMMUNITY RESOURCE PERSONS/SCHOOL VOLUNTEERS

The Charlotte County Public Schools support and encourage the active participation of parents and members of the community in providing and extending educational opportunities for children. The involvement of parents and others in the community who can serve as a resource to schools is a fundamentally important component of successful school programs. The administration of each school will direct the activities of parents, volunteers and other community resources at the building level.

The principal of each respective school shall include in the student/parent handbook guidelines to encourage parents to provide instructional assistance to their children in the home.
