

Charlotte County Public Schools

Mission Statement

Our mission is to cultivate “21st century-ready” students, faculty and staff with a passion for life-long learning.

Long-Term Educational Goals

- Implement a nationally recognized, child-centered instructional program to ensure ALL students successfully complete an appropriate program of study.
- Ensure a full and successful implementation of all current state and national legislation.
- Create indoor and outdoor learning environments that will be modern, state-of-the-art facilities.
- Facilitate the community’s renewed trust in, investment in, and benefit from public education.
